

Parent Homework

Dear Parents and Guardians:

No one knows your child better than you do. As a parent, your perception of my student is a valuable resource. The more I know and understand about your child, the more effective I can be as a teacher.

I would appreciate your participation in a "parent homework assignment" that will be of great value to me. Sometime in the next week, please write me a letter introducing your child.

You might want to include a brief biography, strengths, weaknesses, special abilities, fears, and past school experiences. You might also want to tell me about your expectations for this school year: for me and your child. Include any information that you want me to keep in mind while I work with your child.

I am looking forward to reading your letters and learning more about your child. If you have any questions for me please include them along with your contact information. Thank you for taking part in this important assignment. All letters will be kept confidential.

Respectfully,
Ms. Kelsey Maher
(Math Teacher)

Due Date: Tuesday, September 5th
